This is a fantasy...

Of a shifting city hidden
in the weeds.
Of princesses turned to
metal and rust.
Of Knights Eternal and a
Queen of Dreams.
And a deep underground.

About the Author

Michael Breen is an indie fantasy writer. He has a background in theatre (favorite playwrights tend to be a bit dark and Irish).

He used to write simple songs with good friends on a Gibson Les Paul Special, and still listens to the same punk bands that he did in high school. Mike likes truthful fantasy, books that are fearless, and British TV shows. When not writing, he is usually thinking about writing or trying to figure out how a mandolin works.

The prequel to *Jud*, *Ever the Night Road*, won the gold medal for fantasy in the 2023 Independent Publisher "IPPY" Book Awards, the gold medal for young adult fantasy in the 2023 Readers' Favorite International Book Awards, and a bronze medal in the U.K.'s Wishing Shelf Book Awards.
