“Ever the Night Road” Earns 2022 Finalist Award From Indies Today

Jan. 28, 2023 – Indie fantasy author Michael Breen’s debut novel, “Ever the Night Road” has been named a Finalist for the Indies Today 2022 Award, which recognizes and honors the top independent and self-published books of the year.

“Ever the Night Road” is a coming-of-age story featuring female protagonist Dagny Losh. The teenager's longing for adventure becomes a high-stakes quest guided by the stars and ancient myth, as she and an array of companions encounter danger from both criminal and supernatural forces. Along the way, Dagny will discover the bonds of true friendship, young love and the depths of her own bravery in a brutal and enchanting world.

The book, released in November 2022, has received high praise from advance reviewers and fans alike, including multiple five-star reviews from Readers’ Favorite that describe it as “a magical fantasy that I couldn't put down” and that note it will “take your imagination to new heights.”

Indie Reader describes the book as a fantasy thriller with “an Indiana Jones vibe combined with the ‘lawless frontier’ themes of a good Zane Grey western.” “Ever the Night Road” has also received the International Review of Books Gold Badge of Achievement among other accolades.

Michael has a background in theatre – his favorite playwrights tend to be a bit dark and Irish. He used to write simple songs with good friends on a Gibson Les Paul Special, and still listens to the same punk bands that he did in high school. He likes truthful fantasy, books that are fearless, and British TV shows. When not writing, he is usually thinking about writing, and has already delved into the anticipated sequel. “Jud” is expected to be released in late 2023.

“Ever the Night Road” is available in print and e-book through a variety of online retailers including Amazon U.S., Amazon Global Marketplace, Barnes & Noble, Kobo, Apple, Scribd and more.
